## The Endorsed Check

By The Public:  
 Government statistics show that  
 of the money expended in this country  
 for "living expenses" only 14  
 per cent is expended for "sweets,  
 candy"

That is good food for reflection  
 from an economic standpoint - just  
 consideration of the value of "sweets,  
 candy" and "candy" is in good  
 policy and system to have all  
 necessary food through your bank  
 simply keeping an accurate  
 record of a constant reference.  
 The endorsed check shows the com-

 modern method.

GENOA, Dec. 26.—After 72 hours of the carnival of slaughter in Genoa, the capital of the province of Liguria, in which 1,500 Persian women and children have been slain by the Russian Cossacks, the bloody work continued today and detachments of the Cossacks have been sent out to shoot the refugees flying from the city.

Inside the city of Genoa the bloody orgy continued and the women and children are being murdered in cold blood. Details of the massacre have been brought here by a messenger, who fled under a rain of bullets for 150 miles on horse back to warn the other cities.

It is said that the whole of northern Italy is in a state of panic and that help is being sent from all quarters to the beleaguered city. The Russian Cossacks have been ordered to leave the city and to return to their homes.

## ENTERTAINMENT COMMITTEES WOULD LIKE USE OF AUTOS

**CAR OWNERS WHO WILL HELP  
ENTERTAIN THE PASSENGER  
AGENTS NEXT SUNDAY RE-  
QUESTED TO SPEAK AT ONCE.**

Preparations for entertaining the delegates from the convention of the Association of American Passenger Agents, who will be in Daytona for the afternoon next Sunday, were further perfected at a meeting of the members of the two committees from the board of trade and the hotel and restaurant association, held at the automobile clubhouse Monday forenoon.

The program as outlined some time ago will be carried out, the passenger men to be met at the depot when the special train arrives at 1 o'clock in the afternoon, taken to the automobile clubhouse for a buffet luncheon, then for a ride on the beach and entertained by the hotel men for supper.

For the ride from the depot to the clubhouse and on the beach the two committees will ask all automobile owners in the city to lend the use of their cars and every automobile owner who feels public spirited enough to donate the use of his car for the afternoon is requested to send his name to T. B. Fitzgerald, S. H. Gore or F. P. Williams, members of the board of trade committee, or send his name to the Daily News office.

It is desired to get the names of these automobile owners as soon as possible, so a list can be made up, and the car owners are urged to send in their names at once.

**PLEASURES OF CHRISTMAS  
SEASON MARRED BY DEATHS**

**CHAS. E. MORRISON DIES SATUR-  
DAY EVENING AND THOS. L.  
STILLMAN PASSES AWAY THE  
SAME NIGHT.**

Thomas L. Stillman, aged 77, of Marion, Wis., a winter resident of Daytona for several years, died of heart trouble Saturday night, and the body was started back to his Wisconsin home Monday afternoon.

Mr. Stillman has been coming to Daytona to spend the winter for a number of years and was well known in this city. He leaves three nephews, H. Y. Dwight, R. and Fred Stillman, in this city and the body was accompanied to Wisconsin by Dwight R. Stillman. Funeral services will be held in Madison and interment will be made in the cemetery at that place.

Mr. Stillman was one of the pioneer residents of Madison, one of the largest tobacco shipping points in the United States, and was a heavy property owner in Rock and Dane counties, Wisconsin.

Charles E. Morrison, aged 61, died in this city Saturday evening of heart trouble. The body was sent back to his home at Coney Island, New York, Sunday afternoon, accompanied by his wife and son.

Mr. and Mrs. Morrison came here a few weeks ago from their home at Coney Island to spend the winter and shortly after their arrival Mr. Morrison was taken suddenly and critically ill on the street. He rallied from the illness in a few days, however, and was apparently entirely recovered, but suffered another attack last week.

It was considered best to remove him to his home in the north and his son was called from New York to accompany him home. The son arrived Saturday afternoon from the north and the father passed away at 7:30 o'clock that evening. Mr. and Mrs. Morrison were both of genial disposition and made friends of all acquaintances during their short stay here.

**INSTANTLY KILLED BY TRAIN  
AT WAYCROSS CHRISTMAS DAY**

**ALLEGED TO HAVE BEEN RUN-  
NING AWAY FROM ANOTHER  
BOY WITH A KNIFE WHEN  
STRUCK BY THE ENGINE.**

The Perry lad came up there Christmas morning from the turpentine camp of the Tomoka Land company near Port Orange, evidently with the intention of celebrating the day with other colored people in this vicinity. He stopped in Waycross and in some way became involved in an argument with some other colored boys.

During the course of the argument one of the boys drew a knife and the Perry boy, starting out from behind a building, started to run away from the lad with the knife and took a course northward toward the railroad track. He evidently failed to notice the approach of the passenger train, and was struck by the engine pilot and thrown about 20 feet into the ditch at the side of the track.

Witnesses rushed to the prostrate form and a doctor was called. It was found that his neck was broken and that he had suffered a number of broken bones, although the body was not badly mutilated. Death was instantaneous. The body was turned over to Bingham & Maley.

When R. J. Patterson, lost momentary control of the steering wheel in his big Packard automobile Sunday afternoon the machine crashed into the telephone pole standing just west of the city hall, at the turn from the South bridge into Beach street, and suffered considerable damage.

Mr. Patterson, who has charge of a building being erected on Myrtle avenue, had been on the beach with a party of friends in his car when the machine broke down and it was while being towed in by S. B. Green the accident happened. The tow-in was progressing nicely until the corner turn was made and the car crashed into the telephone pole. Fortunately Mr. Patterson was not injured, but the car suffered a bent axle, smashed radiator and a number of other injuries.

## BURGLARS STEAL PANTS FROM LIKEN

**"SHAKE DOWN" AND THEN DROP  
TROUSERS IN THE BACK YARD**

**ROBBERS FAIL TO MAKE THOR-  
OUGH SEARCH OF HOUSE BUT  
DRAG TROUSERS OUT INTO  
THE BACK YARD.**

Awakening yesterday morning to discover his trousers were missing and searching until he found them in the back yard brought John C. Liken, the realization that burglars had been busy at his home, at the corner of Ridgewood and Second avenues, during the night.

A search of the premises showed the robbers had taken nothing but the money in his trousers pockets, leaving a larger sum of money under lock in the house.

Entrance to the home was gained through a kitchen in the rear part of the house and the robber or robbers were compelled to go the full length of the house and through several rooms to reach the room in which Mr. Liken was sleeping. Evidently the burglars feared waking Mr. Liken or the members of his family if a very thorough search of the house was made, so the trousers were appropriated and the exit through the rear window was made as quietly as the entrance had been. Arriving in the back yard the robbers proceeded to "shake down" the trousers, took what money had been left in the pockets, and disappeared.

Mr. Liken awoke alone on the lower floor, the other members of the family occupying rooms on the second floor, and so quietly did the robbers work not a member of the family knew of the robbery until Mr. Liken informed his trousers yesterday morning.

In their haste to make a clean getaway the burglars overlooked a larger sum of money kept under lock and key in the house, and it is believed they made an effort to make a thorough search of the home for valuables.

## MAYOR HAS BUSY TIME IN COURT

**CHRISTMAS SEASON TROUBLES  
AIRED AT CITY HALL TODAY**

**ALL BUT ONE CULPRIT ESCAPE  
WITH FINES BUT ISAAC NE-  
BIT IS TURNED OVER TO COUN-  
TY AUTHORITIES.**

A general mixup in which three white men, considerable boom, a carriage ride, broken harness, fast fight and knife figured according to the testimony given in the mayor's court this morning. Thomas McKenna drew a fine of \$10 and costs, Grover Cone was assessed \$5 and costs and Jim Futch was charged \$5 and costs.

The carriage ride took place Saturday evening. Grover Cone was the driver and owner of the rig and the other two men were his passengers, according to the testimony given in court this morning and the light took place near Kinsman, McKenna and Cone being the principals and Futch acting as pacesetter. Cone got the knife cut in the left side just above the hip and the suggestion is that McKenna is the man who wielded the weapon. McKenna was not able to swear to this fact and McKenna admitted he was in no condition to remember whether he had a knife or not.

McKenna gave evidence both here and at the county court that he saw the shape of numerous scratches and bruises.

Isaac Nesbit, colored, who has occupied the attention of the court several times lately, was the subject of a charge of assault on the mayor on a charge of attempted cutting. In his defense he was turned over to the county authority by Mayor Titus, who declared he is tired of giving the light lines and sentences in the hope of making a better man of Nesbit. The colored man was turned over to Deputy Sheriff Melton and will be held in jail here to await the coming of Sheriff Smith. Nesbit declares he was not responsible for the other negro being cut, but that the other man fell on his own knife.

Leonard Mayberry, white, pleaded guilty to a charge of using profane and indecent language and was fined \$5 and costs.

Helen Took, colored, had an argument with her brother-in-law, following the exchange of Christmas greetings Christmas morning, and found her way into court with a charge of using profane and indecent language. The evidence was conflicting and Helen was charged \$5 and costs.

Considerable amusement was furnished by the conflicting accounts of a little "affair" between Leason Roberson and William Williams, both colored residents of Midway. Each claimed the other was the aggressor and guns and a hatchet are alleged to have figured in the scrap. Williams, appeared in court with a badly damaged eye and his head bandaged and he was fined \$10 and costs, while Roberson was compelled to dig up \$5 and costs to the court.

Jim and John Harris, colored brothers, were brought into court on a charge of disorderly conduct and shooting firearms within the city limits, and the case against them was continued until 9 o'clock tomorrow morning. All witnesses were not present at the session of the court this morning.

Vanny Taylor, colored, charged with disorderly conduct, was assessed a fine of \$4 and costs, and George Ready, colored, pleaded guilty to a charge of disorderly conduct and was fined \$10 and costs.

M. Neenan is spending the holidays at home with his family on Ridgewood avenue, Holly Hill.

Charles Lockwood came down from Jacksonville Saturday night and joined Mrs. Lockwood at the home of his grandmother, Mrs. M. Babington, on Bay street, remaining here until Tuesday morning when he returned to Jacksonville.

Miss May Mabbette came down from St. August on Saturday afternoon and remained overnight for a brief visit with her mother, Mrs. I. M. Mabbette, at the Hamilton, returning to St. Augustine on the early train Sunday.

**DAYTONA WINS FIRST GAME OF FOOT BALL PLAYED HERE**  
GOOD CONTEST ATTRACTS LARGE CROWD TO HARRISON PARK AND SPECTATORS ARE NOT DISAPPOINTED.  
The Daytona team won the first game of foot ball ever played in Daytona Christmas afternoon at Harrison park, and in every way the contest was a greater success than had been anticipated. Not only was the attendance all that could be desired, but the play itself was up to a standard that gave the spectators plenty of excitement from start to finish. The final score was 10 to 0 in favor of Daytona.

**DESIRES OF MEMBERS OF HOUSE TO HOLD SEATS MAY DISRUPT POLICY OF DEMOCRATS FOR ECONOMY.**  
WASHINGTON, Dec. 26.—The "pork barrel," one of our most favored legislative institutions, is about to confound the economy-loving democrats of the house of representatives. A democratic caucus may have to be called to set things aright, for the house committee on public buildings and grounds is determined that there shall be a barrel and Representative Underwood and some of the other leaders have said "nothing doing."

**CRUISED ALONE FROM THE NEW ENGLAND COAST.**  
His name is Captain Bill Douglas, but he is always called Captain B.H. Of old New England sea faring stock, Captain Bill has fished and lobstered off the Massachusetts coast for fifty years. When he decided to go to a warmer climate for one winter (before going permanently) he did not get a railroad ticket and reserve a section in a Pullman, but started in his little old fishing boat that has weathered hundreds of storms in ten years past. He sailed around stormy Cape Cod, through Long Island Sound and down the broad Atlantic alone.
